BOLTED TANK WARRANTY STATEMENT

BH Tank shall guarantee all bolted steel water storage tanks in accordance with American Water Works Association Standard D-103 as follows:

BOLTED TANK GUARANTEE

Per section AWWA D-103-87, Section 1.3:

"The manufacturer shall guarantee the structure against defective materials, including coatings, for a period of one year from date of completion but not more than 14 months from the date of delivery.

The erector shall guarantee the structure against defective workmanship for a period of one year from date of completion. Any faulty workmanship found within one year shall be repaired by the erector."

WARRANTY STATEMENT

- B.H. Tank Works, Inc. shall warrant its factory coated bolted steel water storage tanks against defects in workmanship or materials that cause either leakage or corrosion for a period of ten (10) years from the original date of installation when properly installed and maintained for use with potable water. The warranties on equipment or accessories furnished with the tank are limited to the respective manufacturer's warranties for their products.
- All obligations and liabilities under this warranty are limited to repairing or replacing -at manufacturer's option- defective tank components at its original installation site. Repairs or replacements are made subject to field inspection by a factory representative and customer compliance with installation and maintenance guidelines.
- Requests for service under this warranty shall be made by contacting B.H. Tank Works, Inc. in writing within thirty days after the discovery of any alleged defect. Photographic documentation shall be provided by buyer upon request of seller.
- Installation of temporary storage facilities, if needed, during the course of repairs or replacement, is not included and shall be the responsibility of the user.
- This warranty does not apply to any tank that has been subjected to negligence, alteration, vandalism, civil disturbances, or act of God. B.H. Tank Works, Inc. does not authorize other persons to extend any warranty with respect to its products, nor assume any liability for unauthorized warranties.
- Expressly excluded from this warranty are defects caused by electrolytic or bacterial conditions, misuse, abuse, or improper installation, application, employment, or operation of the tank. Damage caused by unauthorized repair is not covered by this warranty.
- No liability for consequential damages will be accepted. B.H. Tank Works, Inc. will not assume responsibility for contingent liability for alleged failure of its products.
